Bottles produced:	11 500 bottles
EXW price:	4.00 EUR

In Memoriam 1687. This wine commemorates the Battle of Harsány Mountain which took place near Villány. This is an estate wine. A fine selection from our vineyards composed of light bodied varieties. The blend might change every vintage slightly, but the style always remains: an aged, silky and velvety red wine from Villány. We recommend to pair with Hungarian dishes, ragouts and pasta dishes made with tomatoes.
